WINNING Ways to WITNESS

SEVEN WITNESSING STYLES

01
STANDING IN THE GAP

Prayer is an essential piece of the witnessing puzzle. If you are a prayer warrior, and keep a list of people you are praying for, this may be your witnessing style.

03
SERVING WITH A SMILE

Service is one of the best ways to touch people with God's love. Acts of kindness break down barriers and prepare the soil of the heart to receive the Gospel.

05
IRRESISTIBLE INVITATION

If you're a social person and love to look for opportunities and events and to connect your friends and neighbors to your church, this may be your style.

07
PROCLAIMING WITH A LOUD CRY

Public evangelism is still one of the most effective ways to bring people to a decision for Christ. Cobined with the other six styles, it is a natural finishing point..

02
THE FRIENDSHIP FACTOR

Winsome friendship offered freely is such a beautiful way to connect with people. If you're a genuinely kind, friendly person this style will resonate with you.

04
TELLING YOUR STORY

Sharing your personal testimony is one of the most effective ways to reach the skeptic. It's impossible to argue with evidence of a life that has been changed.

06
CONTAGIOUS CONVERSATION

If you have the "gift of gab" and are also a good listener, this may be your witnessing style. Reaching with people through conversation is a much needed gift.
